Your Excellency,
Dear Ambassador Andjaba;

On behalf of all members of the Deutsch – Namibische Gesellschaft / German – Namibian Society I would like to offer the expression of our deepest sympathy and our heartfelt condolences on the occasion of the untimely demise of the President of the Republic of Namibia, His Excellency Dr. Hage G. Geingob.

His Excellency Dr. Geingob will be remembered by the members of the DNG / GNS as one the most eminent fighters for the independence of Namibia and the freedom of its people as well as the person who contributed largely to the modern constitution of the newly born republic. A constitution which guarantees basic human rights to all Namibians, which established the structures for a liberal democracy and is the solid foundation upon which a united Namibia could grow and can continue to do so.

His Excellency Dr. Geingob was a president for all. He worked relentlessly to safeguard the One Namibian House as a safe home to all Namibians irrespective of their ethnic background. Consequently, it was during his tenure that the German - Namibian Joint Declaration was initialed which can pave the way for a thorough and lasting reconciliation between Germany, Namibians of German language and Namibians. It, thus, does have the potential to raise the bilateral relations between Germany and Namibia to new heights.

The Namibian nation has lost a great leader – may his soul rest in peace.

Dear Ambassador, I sincerely ask you to convey this message of our heartfelt condolences to the First Lady Monica Geingos, the members of his family and the entire Namibian nation.

Yours sincerely,

Christian M. Schlaga

(President of the Deutsch – Namibische Gesellschaft / German – Namibian Society.)
