Your Excellency,  
dear Ambassador Andjaba;

it is with great regret that we have taken note of the fact that your tenure as Ambassador of the Republic of Namibia to the Federal Republic of Germany will come to an end soon, and that you shall leave Germany by the end of August of this year.

On behalf of the German-Namibian Society as well as on my own behalf I would like to express our sincerest gratitude to you, Your Excellency, for your many and highly valuable contributions to the further strengthening of the bilateral relations of our countries.

Being an Honorary Member of the German-Namibian Society, we, I as well as many members of the Society have followed your endeavors with great pleasure and pride. It has always been highly rewarding and enriching to exchange ideas with you about how to further improve the contacts between members of both societies of our countries which is – after all – at the center of your and our work.

Thus, I take this opportunity to thank you wholeheartedly for the always strong support you rendered to the work of the Society without which many of our activities would hardly have been possible.

It has been a pleasure as well as a great honor to work with you and members of the embassy under your guidance. I sincerely hope that an opportunity will arise – in Namibia or elsewhere – to meet again.

As much as we regret to see you leaving Germany we wish you and your family a safe return to Namibia and all the best in the years to come.

Yours sincerely

Christian M. Schlaga

(Präsident Deutsch–Namibische Gesellschaft / President German–Namibian Society)
